Dear Mr. Leibowitz,

Thank you for your donation of the answering services to The Dee Norton Lowcountry Children's Center (DNLCC). Your contribution supports the DNLCC mission to keep children safe from abuse, and when abuse occurs to work with our community to bring healing to these children and their families.

DNLCC works with 39 community partners to provide a coordinated approach to helping children and their non-offending family members heal from abuse. Since its founding 20 years ago, DNLCC has provided services to over 18,000 children and their families. These services include assessments, medical examinations, and treatment which are provided at no cost to the family.

Your support helps children like:

- George, who told his therapist upon completion of his treatment sessions, "I know it's time for me to leave. I mean I'm like the baby bird in the nest and you have to push me out to see if I can fly."
- Melanie, a five year old girl who had been sexually molested by her fourteen year old step-brother and thought she was so full of sin that God could never forgive her
- Travis, a fifteen year old who had been raped by another teenage boy, who as part of his therapy at DNLCC was able to express his feelings over his trauma through making a rap video.

Thank you for believing that together we can make a positive difference in the lives of children in our community. For more information, please visit our website at www.dnlcc.org.

Sincerely,

M. Elizabeth Ralston, Ph.D.
Executive Director
