Abby Leibowitz Named to 40 Under Forty List

Abby Leibowitz, executive vice president of Call Experts in Charleston, SC was named to the 2010 class of "Forty Under 40" by the Charleston Regional Business Journal. The 26-year-old executive oversees all of the call center's finances, legal framework, and organizational structure, as well as the operation of each department. She also ensures that the company remains on track for growth.

When asked why she selected this as her profession, she quipped that it selected her! "I became even more intrigued when I realized that our company facilitates most of the behind-the-scenes communication throughout the Lowcountry," Leibowitz stated.

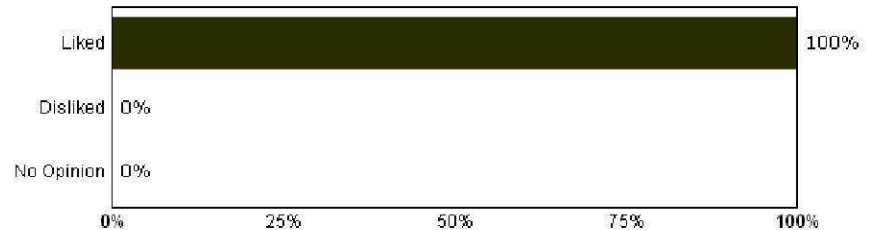

Call Experts, which provides call center services in South Carolina and beyond, was founded in 1982. Since the beginning, one of the company's goals has been to help local charities. As such Call Experts provides free 24/7 phone service to several local charities, including the Coastal Crisis Chaplaincy, Lowcountry Children's Center, People Against Rape, and the Ronald McDonald House.

Call Experts has also named a winner of the 2009 Alfred P. Sloan Award for Business Excellence in Workplace Flexibility, distinguishing the employer as a leading practitioner of workplace flexibility and effectiveness.
